

# MOLINE'S SECTION OF THE ARGUS

## JOHNSON NAMED CITY TREASURER

Commission in Regular Weekly Session Fills Vacancy in Office.

## FIVE BANKS DEPOSITORIES

Wrestle With Appropriation Ordinance—Meeting of Citizens on Improvements Arranged.

At the regular weekly meeting yesterday afternoon of the Moline city commissioners, R. M. Johnson of the Commercial Savings bank was named new city treasurer to succeed R. C. Shalberg of the Peoples' Savings Bank & Trust company, the annual salary being \$290. Shalberg has held the office for the past year, it being the usual custom to distribute this city job among the various banks which are named as depositories for city funds. Mr. Johnson is not new in this office, having served for several terms under the old aldermanic form when the city treasurer was chosen by the direct vote of the people. His bond in the present case will be fixed at \$600.

**New System Inaugurated.**  
A new system of depositing city money has been inaugurated this year at the request of the local banks. Formerly one bank was selected as the depository for city funds and instructed to allot certain equal sums to all other substantial banks of the city. The bank selected for this purpose was always other than that in which the city treasurer was employed. This year, however, the financial institutions requested that the city commission name the depositories themselves. Under the old form but one bond

was required but in this manner each depository will be required to furnish satisfactory bonds. City funds will be handled, however, in practically the same manner and by the same banks, the only new phase being that the commissioners will designate the depositories themselves.

The amount of the bond required from each bank has not yet been decided upon but it will probably be \$10,000 from each of the five.

**Discuss Ordinance.**  
The appropriation ordinance was discussed and the decision reached to prepare it this week for formal presentation at next week's regular meeting.

Original estimates turned in by the heads of the various departments for expenditures during the ensuing year have been sadly mutilated by the commission during its last three or four meetings. In some departments as much as \$5,000 or \$10,000 has been cut off the allotment asked in order that a larger amount may not be apportioned than the city's revenue. An important session of the commission will be held tomorrow morning to further discuss the appropriation ordinance and shape it for formal presentation next Monday. One of the important things to be taken up this week regarding this ordinance, will be the proposed allotment for playground purposes and the mayor hopes to have representatives of the Woman's club and of the city schools present at a special meeting to be called later.

**Mass Meeting Tonight.**  
A mass meeting of the citizens from the southwest bluff district, will be held tonight and Mayor Carlson and Commissioner C. G. Anderson will attend. Various improvements said to be badly needed in this section of the city will be discussed.

In the district near Winnipeg there is soon to be established the finest fox ranch in the world. From 200 to 300 of the choicest animals to be found in the north will be procured to start with.

## TOTAL FIRE LOSS ONLY \$37,115.51

Annual Report of Chief Hawk Made to Moline City Commissioners.

According to the annual report made to the Moline City commissioners by Fire Chief Hawk yesterday, this city has suffered a total loss during the past year from fire of \$37,115.51. The report was the 15th annual report made by Chief Hawk since a salaried fire department was established. The losses were subdivided in the following manner:

Total insured loss on buildings \$16,720.64  
Total insured loss on contents 17,463.62  
Uninsured loss, buildings and contents 2,931.25  
Total insurance involved on buildings where fire played havoc to a greater or less extent was reported to be \$144,555, and on contents, \$162,110.  
During the year, in responding to 182 alarms, a total of 20,850 feet of fire hose was laid, 2018 feet of ladder raised and 261 gallons of chemicals applied. In all, 64 buildings were damaged and one life was lost as an indirect consequence of a fire. Of the 182 alarms, Chief Hawk reports 105 turned in by telephone, 68 from boxes, two verbally, two from the A. D. T.; 13 were false alarms and two came from out of the city.

## EAST MOLINE DRUGGIST IS FINED \$10 FOR SPEEDING

Henry H. Siebke, a druggist of East Moline, was fined \$10 and costs by Magistrate Frank Gustafson in police court this morning, charged with speeding his automobile. Siebke pleaded not guilty and contested the case, but

the word of Pleasant Negler, motorcycle cop, who made the arrest, was taken over that of the offender. Negler timed the car of the druggist, and alleged that at least 90 miles per hour was made. This is the 12th arrest for speeding made in the city during the last week.

## VERDICT OF SUICIDE IS RETURNED BY JURY

Coroner R. C. J. Meyer impaneled a jury late yesterday afternoon and held an inquest in his office over the remains of Miss Bettie Miller, who took her life by drinking carbolic acid, and a verdict of suicide was returned after the testimony had been heard.

Miss Miller had been despondent for some time, has suffered with nervous trouble, and was rendered partially insane by the shock of her father's death in a railroad accident, and the death later of three of her near relatives.

She was born in Sweden and was 48 years of age. Left to mourn are her mother and two brothers, Charles Miller of this city and John R. Miller, of Pennimore, Wis.  
Funeral services will be held Thursday afternoon at 2 o'clock at the home of Charles Miller, where deceased has resided for some months. Rev. A. F. Bergstrom will officiate, and interment will be in Riverside cemetery.

## SMALLPOX SCARE CAUSES CLOSING OF LATIN ROOM

Smallpox in the home of Miss Grace Tunnick, Latin teacher, caused the closing of the Latin department at the high school today. The Latin rooms are Nos. 14 and 15 and both were closed to allow fumigation during the day. It has not been announced how soon classes will be resumed. The home of Miss Tunnick has been quarantined as her brother Horace is suffering with the disease.

**WILLIAM WHITEMORE VICTIM OF "SNIPES"**  
Pickpockets, or "snipes," have apparently transferred their operations from Davenport to this city. William Whitmore of 1904 Twenty-third avenue being the latest victim. According to Mr. Whitmore's story they succeeded in getting away with his purse and \$30. He is not certain as to the exact amount.

Mr. Whitmore was present at a moving picture theatre when the theft occurred, but does not recall any jostling he received. Apparently his pocket was picked while at the theatre by some clever manipulator who occupied a seat next to him. The police are of the opinion that three or four men are working together in the three cities at this game.

**Drunks Land in Jail.**  
Tony Smith, Mike Fitzgibbon and Harry Breen were arrested as drunks in the city streets last night. They spent the night in the city jail, and this morning were each assessed \$2.80.

## SPLendid SPRING Tonic AT SMALL COST

(The Home Doctor)  
"There is no one thing more useful or necessary to the health of the family than a good blood purifier and system tonic. An inexpensive, yet one of the very best tonics known can be made at home by dissolving in 1/2 pint alcohol, 1/2 cup sugar and one ounce karene, then adding hot water to make a quart.

"A tablespoonful of this tonic taken before each meal quickly purifies the blood and rids the system of those accumulated poisons which cause pimples, sallowiness, lost appetite and that tired, worn-out feeling. It regulates the liver perfectly, makes rich, clear blood and is very strengthening and energizing to anyone who feels all run down. This wonderful tonic, good for both old and young, used at needed intervals will ward off sickness and keep the family in the best of health."—(Adv.)

**Mexican Youth is Hanged.**  
Pecos, Texas, May 12.—Leon Cardenas Martinez, a Mexican youth, was hanged here at noon today for the murder of Miss Emma Brown, a school teacher, three years ago. The Mexican government had the case carried to the United States supreme court in a vain effort to save Martinez.

**Art Slasher Given Release.**  
London, May 12.—Mrs. Mary Wood, the militant suffragette who on May 4 mutilated Sargent's portrait of Henry James in the Royal academy, was released temporarily from prison today. She was in a weakened condition from the effects of hunger strike.

## Pompeii Pillar.

This is the name of a celebrated column standing on a slight elevation in the southwest section of ancient Alexandria, a short distance outside the Arabian walls. It is a monolith of red granite of the Corinthian order raised upon a pedestal. Its total height is ninety-eight feet nine inches, shaft seventy-three feet and circumference twenty-nine feet eight inches. The present name is a mere invention of travelers. The inscription on the base shows that it was erected by Publius, ruler of Egypt, in honor of the Emperor Diocletian A. D. 302. It stood in the center of the court of the serapeum, or great sanctuary, of Serapis and survived its transformations into a church and a fortification.

The teaching of home economics is now required by law in the elementary schools of Indiana, Iowa, Louisiana, Massachusetts, Montana, North Carolina, Oklahoma and Washington.

## STRANGE CASE IS GIVEN AN AIRING

E. Banowitz Charges Oscar Nelson With Assault and Battery After Accident.

When Oscar Nelson, a former employee of the Moline Furniture company, and one of the union men who there a few days ago owing to the extension of working hours, boarded a street car Saturday night, E. Banowitz, estimator for the same company, was standing on the steps, according to the story told the local police, and Nelson accidentally struck him. Banowitz swore out a warrant for the arrest of Nelson on a charge of assault and battery. The case came up in police court this morning, and Nelson said that he could think of no reason why the furniture man should bring such a charge, unless it was a case of spite owing to his quitting the plant a few days ago with other union men.

When Magistrate Frank Gustafson and City Attorney James Johnston heard the facts in the case from Nelson and other witnesses, they dismissed it without further parley.

Nelson claims that those who quit the plant bear no feeling of animosity toward the company or their former fellow employees.
